

Did You Pay Your 2012 Membership Dues?

When you are filling out your white membership card for 2012, please make sure you fill out every blank. Please print in bold and legible letters. For retired members you must put the word "RETIRED" in for your command. Please do not put in your former command. Also, we need retired members to put in tax numbers and social security numbers. The software tracks everything by tax and social security numbers.
